## RISC-Based Servers (IBM eServer Power5 Processors)

**Product:** IBM RISC-based Servers  
**Machine Type:** 9406  
**Manufacturer:** IBM Corporation  
**IBM WARRANTY:** 1 Year - All Parts & Labor 24x7  
**DISCOUNT:** 10.0%

Last Update: 7/27/2007

The following prices apply to new machines and features ordered as part of a new machine. Model upgrades and feature additions or removals on installed systems are available for current machine types and require custom configurations that are available on request.

Leasing is also available at current lease rates from IBM Global Financing.

**RISC-Based Servers**  
*(IBM eServer Power5 Processors)*

Product: IBM RISC-based Servers  
 Machine Type: 9115  
 Manufacturer: IBM Corporation  
 IBM WARRANTY: 1 Year - All Parts & Labor 24x7  
 DISCOUNT: 0.0%

Last Update: 7/27/2007

The following prices apply to new machines and features ordered as part of a new machine. Model upgrades and feature additions or removals on installed systems are available for current machine types and require custom configurations that are available on request. Leasing is also available at current lease rates from IBM Global Financing.
