

Software Maintenance
(for IBM RISC-based Servers)

Product: SWMA
 Machine Type: 5733
 Manufacturer: IBM Corporation
 IBM WARRANTY: 1 Year - All Parts & Labor 24x7
 DISCOUNT: 0.0%

Last Update: 7/27/2007

The following prices apply to new machines and features ordered as part of a new machine. Model upgrades and feature additions or removals on installed systems are available for current machine types and require custom configurations that are available on request. Leasing is also available at current lease rates from IBM Global Financing.
